UNLOCK THE POTENTIAL

Strategically positioned on the heavily trafficked “Golden Mile” in West Saint John, Westwind Place at 800 Fairville Boulevard stands out as a premier commercial location. This ground-floor space is perfectly situated to leverage its prime location, providing exceptional exposure and easy access to a dynamic and busy community.

This large unit is ideally suited for a retail store due to its high visibility, open concept and private grade level loading door. However, its spacious, flexible layout also make it an excellent choice for a professional office, offering a blank canvas to be customized for your business' specific needs.

LOCATION

Westwind Place, a multi-use, open-air plaza located at 800 Fairville Boulevard in Saint John, is a proven community staple. Situated in a highly visible and accessible location in West Saint John, it's known as “that place around the corner” where locals go for their everyday needs. This prime retail location offers outstanding visibility and signage opportunities, making it one of Saint John’s strongest retail destinations. With easy access to the west side’s main transportation routes, free on-site parking for customers and employees, and a strong mix of retail and service-based tenants, Westwind Place consistently attracts steady daily traffic.
