LOCATION

Westwind Place, a multi-use, open-air plaza located at 800 Fairville Boulevard in Saint John, is a proven community staple. Situated in a highly visible and accessible location in West Saint John, it's known as “that place around the corner” where locals go for their everyday needs. This prime retail location offers outstanding visibility and signage opportunities, making it one of Saint John's strongest retail destinations. With easy access to the west side's main transportation routes, free on-site parking for customers and employees, and a strong mix of retail and service-based tenants, Westwind Place consistently attracts steady daily traffic.

UNIT 7 | 2,153 SF

800 FAIRVILLE BLVD

This commercial space is open concept with clean, white walls, ready for any brand's vision. Located in the back of the unit, near the private washroom, is a smaller, enclosed space that could serve as an office or additional storage. Situated in a complex with ample on-site parking, Unit 7 is easily accessible for a steady flow of customers, making it an ideal choice for a retail business, professional office, or service-based enterprise looking for a strategic and turn-key location.
