

BUILT TO SUIT

DOWNEAST DRIVE QUISPAMIS, NB

FUTURE COLLABORATIVE CARE MEDICAL COMPLEX QUISPAMIS

Position your practice in a site specifically designed to foster a professional healthcare ecosystem. Featuring modern design and a layout optimized for efficient patient flow, this is more than just office space; it's a destination for wellness in the Kennebecasis Valley.

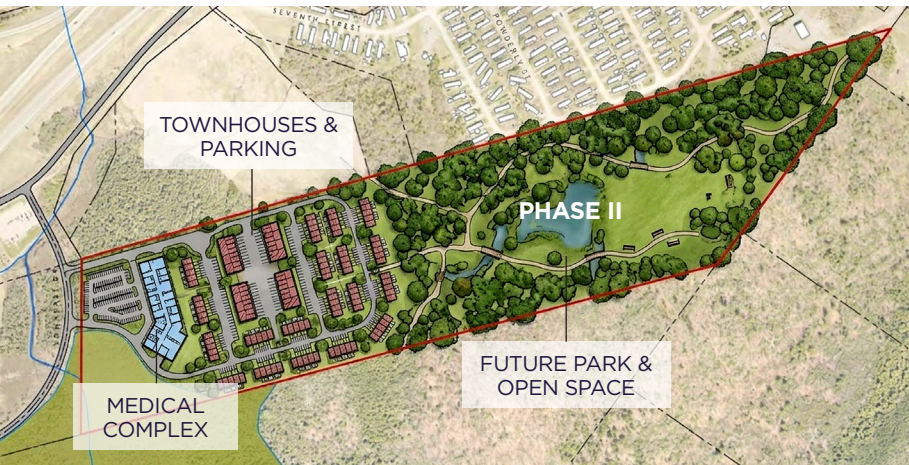

Strategically located near a high-traffic commercial hub, the site serves a well-established and growing residential community that values accessible healthcare services close to where they live and shop.

PROPERTY HIGHLIGHTS

- **Configuration:** Flexible floor plates for collaborative or private clinical teams.
- **Parking:** Ample on-site surface parking for staff and patients.
- **Design:** Modern, professional architecture with high-visibility signage.
- **Accessibility:** Fully barrier-free design with convenient patient drop-off zones.
